

BINGI MANYA SAHASRA

Hyderabad, India | sahasramanya9@gmail.com | linkedin.com/in/manyasahasra | github.com/Manyasahasra

PROFESSIONAL SUMMARY

Passionate Computer Science student specializing in Artificial Intelligence and Machine Learning with experience building AI-powered applications using Python, NLP, Machine Learning, and Generative AI. Focused on solving real-world problems through technology.

EDUCATION

B.Tech in Computer Science Engineering (AI & ML)

Malla Reddy College of Engineering and Technology | CGPA: 9.5/10

PROFESSIONAL EXPERIENCE

AI Intern - Infosys Springboard

- Developed AI-powered ticket categorization systems
- Applied NLP techniques for automation
- Participated in testing and debugging
- Contributed to documentation and workflow improvement

PROJECTS

AI Resume Analyzer

Python, Streamlit, NLP, Machine Learning

ATS Score Analysis, Resume Feedback Generation, PDF Parsing, NLP-based Evaluation

AI Copilot for Software Engineers

Python, Streamlit, NLP, Generative AI

Coding Assistance, Debugging Support, Intelligent Query Processing, Documentation Generation

SKILLS

Languages: Python, Java, C, SQL | Web: HTML, CSS, JS, React.js

AI & ML: Machine Learning, NLP, Generative AI, Prompt Engineering

Libraries & Tools: Pandas, NumPy, Scikit-learn, Streamlit, Git, GitHub, VS Code, Tableau

Concepts: Data Structures & Algorithms, OOP, DBMS, REST APIs, Unit Testing

LEADERSHIP & CERTIFICATIONS

- Student Coordinator: Organized hackathons, project expos, quizzes, and student activities
- Class Representative: Represented student concerns, facilitated academic coordination
- Certifications: IBM SkillsBuild (AI Fundamentals), Deloitte Tech Simulation, Google Cloud Study Jams
